

| Project Type | Agency | Project Name | Project Description |
|---|-------------------------------------|--|--|
| 2020 Call for Applications | | | |
| Smart Cities & Mobility Innovations: 8 projects total; 5 contracts | | | |
| Curb Space | Los Angeles Dept. of Transportation | Curb Zone Data Inventory for Digital Curb Management | A digital curb zone inventory to optimize commercial loading activities and advance digital stewardship. |
| | City of Long Beach | Long Beach Curb Space Management Study | A curb occupancy and usage study with real-time data collection and monitoring, focusing on underserved communities. |
| | City of Stanton | Stanton Citywide Curb Management Plan | An inventory to collect data in residential, commercial, and industrial neighborhoods and developing a Citywide Curb Management Plan to improve safety and quality of life. |
| Technology | San Gabriel Valley Council of Govts | GoSGV Engagement & Evaluation | Analysis of the GoSGV Regional E-Bike Share Program to quantify vehicle miles traveled (VMT) reductions and implement innovative outreach solutions with Community Based Organizations (CBOs). |
| Parking | City of Desert Hot Springs | Downtown and Light Industrial Parking Plan | A parking plan encompassing the commercial and light industrial hubs of the City along with a framework of innovative practices to meet future development and mobility demand needs. |
| | City of Garden Grove | Garden Grove Curb Data Study | Policies and actions for curb and parking management in several Environmental Justice areas to mitigate the disproportionate negative environmental impacts from parking. |
| Technology | City of Laguna Woods | Laguna Woods Mobility Technology Plan | A Mobility Technology Plan to establish new mobility service capabilities, particularly for senior and disabled populations, and the prospective future implementation of autonomous vehicle technology. |
| Technology | City of Rialto | Smart Cities Plan for Warehousing & Logistics | A Smart Cities Plan focused on the local impacts of warehousing and logistics and technological and policy solutions that could address those adverse impacts while supporting economic goals. |
| Housing & Sustainable Development: 25 projects total; 12 contracts | | | |
| Advanced ADU Bundle | Pasadena | Pasadena ADU Implementation | This project bundle consists of three (3) cities that received planning assistance to develop ADU implementation policies and programs to accelerate housing production. (Project Completed in December 2022) |
| | Santa Monica | Santa Monica ADU Implementation | |
| | Laguna Beach | Laguna Beach ADU Implementation | |
| | Buena Park | Buena Park ADU Implementation | |
| Preliminary ADU Bundle | Compton | Compton ADU Implementation | This project bundle consists of four (4) cities that will receive planning assistance to develop ADU implementation policies and programs to accelerate housing production. |
| | Garden Grove | Garden Grove ADU Implementation | |
| | Paramount | Paramount ADU Implementation | |
| | Santa Fe Springs | Santa Fe Springs ADU Implementation | |
| EIFD Bundle | Covina | Covina Downtown EIFD | This project bundle will collaboratively work to implement Enhanced Infrastructure Financing Districts (EIFD) in these three jurisdictions. |
| | LAC/USC Health Village | LAC/USC Healthy Village Vision | |
| | Yucaipa | Yucaipa Enhanced Infrastructure Financing District | |
| Workforce Housing | Palmdale | Central Palmdale Workforce Housing Project WHAR12 | The goal of this project is to provide planning and development assistance to the City of Palmdale in order to facilitate development of 13 acres of surplus land owned by the city and the local school district into affordable workforce housing. |
| EIFD | Heart of Hollywood (City of LA) | Heart of Hollywood Enhanced Infrastructure Financing District | This project intends to assess and implement the preferred type of Tax Increment Financing (TIF) District in Hollywood. |
| EIFD | One San Pedro (HACLA) | One San Pedro Enhanced Infrastructure Financing District | This project intends to determine the best model or models of infrastructure financing districts necessary to make the One San Pedro plan a reality. |
| Objective Development Standards Bundle | Coachella | Coachella Objective Development Standards | This project consists of two (2) bundles of (4) four cities that will be receiving planning assistance to revise and adopt Objective Development Standards, and implement HCD prohousing guidelines, policies, and programs. |
| | Grand Terrace | Grand Terrace Objective Development Standards | |
| | Montebello | Montebello Objective Development Standards | |
| | Newport Beach | Newport Beach Objective Development Standards | |
| | Santa Fe Springs | Santa Fe Springs Objective Development Standards | |
| | Santa Monica | Santa Monica Objective Development Standards | |
| | South Pasadena | South Pasadena Objective Development Standards | |
| | Westminster | Westminster Objective Development Standards | |
| Specific Plan | Rialto | Rialto Foothill-Central Specific Plan Update | This project will include a merger and update to two existing Specific Plans to ensure consistency and accelerate housing production. |
| Specific Plan | Burbank | Burbank Media District Specific Plan Update | This project will update the Media District Specific Plan to ensure consistency and accelerate housing production. |
| Objective Zoning Standards | South El Monte | South El Monte Zoning Code Comprehensive Update for Housing Streamlining | This project will be a completely updated zoning code for the City that is fully consistent with the latest General Plan, State and Federal Law, streamlined to be more housing-friendly, and consistent with HCD's pro-housing goals. |

| Active Transportation & Safety: 11 projects total; 9 contracts | | | |
|--|---|---|---|
| Pedestrian Plan | LA County Public Health | Lennox Community Pedestrian Plan | Develop a pedestrian plan for the unincorporated Lennox community in Los Angeles County. The plan will include 4 PSRE priority projects. |
| | Los Angeles Dept. of Transportation | Wilshire Center/K-town AT Network Visioning | Develop an active transportation network plan for the mid-wilshire and koreatown neighborhood in the City of Los Angeles. The planning effort will then be followed by a quick build implementation project based on the planning effort. |
| Network Visioning & Implementation | City of Pomona | Pomona Citywide Complete Streets Ordinance (CCSO) | Develop a complete streets network plan for the City of Pomona, followed by a quick build implementation project based on the planning effort. |
| Quick Build | City of Santa Monica | East Pico Safety Project | The project will design and implement a quick build project on East Pico Blvd in the City of Santa Monica that primarily focuses on pedestrian improvements. |
| Non-Infrastructure | Riverside County Public Health | Safe Routes for All - Coachella | Develop a Safe Routes for All Plan in the City of Coachella. The agency is managing project implementation. |
| | Orange County Transportation Authority (OCTA) | OCTA Bus Stop Safety and Accessibility Study | Develop a first/last mile plan for the highest ridership bus stops in Orange County. The final plan will include 12 PSRE priority projects. |
| First/Last Mile | Montebello Bus Lines | First-Mile / Last-Mile Master Plan | Develop a first/last mile plan for the Montebello bus lines. |
| Active Transportation Plan | City of Banning | Banning Comprehensive ATP | Develop a citywide Active Transportation Plan for the City of Banning. |
| | City of Lynwood | Lynwood Safe Routes To School (SRTS) Plan | Develop a Safe Routes to School Plan for the City of Lynwood. |
| Safe Routes | City of Duarte | Safe Routes to School Program | Develop a Safe Routes to School Plan for the City of Duarte, the final plan will include 3 PSRE priority projects. |
| Vision Zero | City of Santa Ana | Safe Mobility Santa Ana (SMSA) Plan Update | Develop 4 PSRE projects for the City's Vision Zero Plan (a separate effort). The projects will be incorporated into the plan and adopted together. |
| Civic Engagement, Equity, and Environmental Justice: 11 projects total; 11 contracts | | | |
| Multimodal Communities | Los Angeles Dept. of Transportation | Reconnecting MacArthur Park | Explore the permanent closure of Wilshire Blvd. between Carondalet St. and Alvarado St. through a traffic study and robust community engagement and planning. |
| Multimodal Communities | County of Los Angeles, Dept. of Public Works | East LA Moves / El Este Se Mueve Mobility Corridor Plans | Identify community-centered transportation improvements for implementation along key corridors in unincorporated East LA through a participatory planning process. |
| Multimodal Communities | Los Angeles Dept. of Public Works, Streets LA | Warner Center Active Transportation Hub | Identify barriers to walking and biking, identify the top 20 priority corridors, and develop active transportation design prototypes for typical roadways in the Warner Center (WC) area. |
| Multimodal Communities | SBCTA/SBCOG | Active Transportation Priority Projects Outreach and Engagement | Leverage engagement to identify priority active transportation projects, inform planning efforts, and better position jurisdictions to secure implementation funding. |
| Multimodal Communities | City of Moreno Valley | Pedestrian Access Plan | Develop a citywide Pedestrian Access Plan and identify non-Americans with Disabilities Act (ADA) compliant locations throughout the city. |
| Housing and Land Use Strategies | City of La Puente | Mixed Use Development for Underutilized Commercial Zones | Encourage infill development by initiating an amendment to the General Plan and Zoning Code to include a new mixed-use zoning program that can be applied to existing underutilized commercial properties. |
| Housing and Land Use Strategies | City of Lancaster | Transit Oriented Development Zones Update | Realize the City's vision for compact mixed-use development near the Metrolink Commuter Rail Station through a comprehensive update to the underutilized 2015 form-based Transit-Oriented Development (TOD) Zones Plan. |
| Housing and Land Use Strategies | City of Laguna Beach | Environmental Impact Report - Downtown Specific Plan Update | Expand opportunities for infill housing, allow nearly unlimited housing density, increase maximum allowable building heights, and allow parcel mergers for affordable housing projects in certain areas. |
| Housing and Land Use Strategies | City of Santa Ana | Transformative Engagement for Zoning Code Update | Develop an inclusive community engagement plan to inform a comprehensive update to the City's Zoning Code, where zoning districts and development standards will be developed for properties. |
| Housing and Land Use Strategies | City of Jurupa Valley | Pedley Town Center Plan - Implementation | Develop mixed-use zoning in the Pedley Town Center Plan area to accelerate infill, mixed-use, affordable, and commercial development near a Metrolink station. |
| Housing and Land Use Strategies | County of Ventura | Farmworkers Housing Study and Action Plan | Use survey data to identify farmworker needs as well as key policy, financial, and regulatory barriers and solutions to housing development, including identifying optimal housing typologies and gaps in social services. |
