Dear Members of the Regional Council,

It has come to our attention that an attachment for the Regional Council Agenda packet (Item No. 2) was inadvertently left out. The document has been posted on the SCAG website and may now be accessed here: <https://scag.ca.gov/post/regional-council-october-6-2022-full-agenda-packet>.

We look forward to your participation on Thursday.

Best,
Maggie

Information on EAC, PC and RC Hybrid (both in-person and remotely by telephonic and video conference) Meetings

For members who have decided to attend the meeting in-person, please note:

Effective April 4, 2022, and consistent with current public health guidance, SCAG will not require that employees or building visitors wear face coverings when in SCAG's offices. While the wearing of face coverings is no longer required, consistent with public health guidance, face coverings are still strongly recommended indoors where the vaccination status of all persons is unknown or when persons are in close proximity to one another and unable to distance.

For those who've not yet been to SCAG's offices for the hybrid meetings, Security will conduct an in-person health screening that includes having your temperature checked.

Thank you and we look forward to your participation.

Best,
Maggie
