Dear Ms. Clemons and Mr. Matley:

The California Department of Transportation (Caltrans) has completed the review of the following amendment to the Southern California Association of Governments' (SCAG) 2018/19-2023/24 Federal Transportation Improvement Program (FTIP):

<u>No.</u>	<u>Description</u>
6	Transit Transportation System <ul style="list-style-type: none"> This amendment modifies a project description from the San Bernardino County. This project is funded from the Federal Transit Administration (FTA) 5307, 5309 and 5339 programs.

See enclosure.

SCAG has certified that the amendment is consistent with the Regional Transportation Plan, is financially constrained, is consistent with the regional emission analysis, does not affect timely implementation of the transportation control measures, and meets the requirements of public involvement procedures adopted by SCAG.

Pursuant to the authority delegated to me by the Director of Caltrans, I approve SCAG's Amendment Number 6. I also recommend that the Federal Highway Administration and FTA approve this FTIP amendment for inclusion into California's 2019 Federal Statewide Transportation Improvement Program (FSTIP). Approval of this amendment does not constitute an eligibility determination of the project for federal funding.

Mr. Vincent Mammano/ Mr. Edward Carranza, Jr.
